MADISON:

Husch Blackwell's fifth-annual international trade law year-in-review report provides a detailed look at what transpired in international trade law during 2023 and takes a peek at how the coming year might develop.

Our downloadable report, “International Trade Law: 2023 Year in Review & Outlook for 2024,” focuses on these key areas:

U.S. Customs and Border Protection Developments

[Trade Remedies](#)

[Export Controls and Trade Sanctions](#)

[Supply Chain and Logistics](#)

[Special Section on the Uyghur Forced Labor Prevention Act \(UFLPA\)](#)

[Download Report](#)
