Husch Blackwell has been recognized as a Top 10 firm in the American Bar Association Health Law Section's third *Annual Regional Law Firm Recognition* listing, in its Midwest and South regions. The firm ranks **first** in the Midwest list and No. 6 in the South. The regional listings identified firms with the most members in the ABA Health Law Section.

"Several years ago Husch Blackwell embarked on a strategy to be industry focused. Healthcare grew as one of our prime commitments. We are extremely proud to serve our clients in this field, and we're honored to be recognized as the number one health law firm in the Midwest." said Curt Chase, the leader of Husch Blackwell's Healthcare, Life Sciences & Education Strategic Business Unit. The ABA Health Law Section places emphasis on regional member participation as America's healthcare is inherently regional in its organization and delivery. The law firm recognition program recognizes the top 10 law firms in the following regions: Midwest, Northeast, South, Southeast and West, and the Section has over 10,000 members across the United States representing clients in all segments of the healthcare industry.

Husch Blackwell's Healthcare, Life Sciences & Education industry team of attorneys have extensive experience representing clients in all types of litigation, regulatory enforcement actions and investigations covering all facets of the industry.
