Data Privacy Toolkit

In the wake of the recent enactment of the General Data Protection Regulation (GDPR) in the EU, the California Consumer Privacy Act (CCPA), and other state- and industry-driven privacy initiatives, it is more important than ever for companies to understand and take steps to manage and protect the data they collect and store.

In this toolkit we provide the following tools and resources to help you successfully navigate the emerging maze of data privacy laws and trends:

- Data Privacy White Paper
- Cybersecurity Infographic
- Data Security Planning Checklist
- CCPA/GDPR Readiness Checklist
