Husch Blackwell Places Five Attorneys in IFLR's Inaugural Real Estate Rankings

The IFLR 1000, a directory of leading transactional lawyers, has ranked five Husch Blackwell attorneys across four offices in the directory's first real estate law rankings.

The following lawyers earned from IFLR the designation 'Highly Regarded' in the area of real estate law:

Kevin Kelley (Denver)

David Linenbroker (St. Louis)

Charles Renner (Kansas City)

Brad Dallet (Milwaukee)

St. Louis-based attorney Ernesto Segura was also recognized by IFLR as a 'Rising Star' in Real Estate.

Firmwide, 16 Husch Blackwell attorneys earned recognition in IFLR, and the firm was ranked in three state jurisdictions, ranking as a Tier 1 Firm in Missouri for Corporate/M&A and as one of four Recommended Firms for Financial and Corporate in both Nebraska and Wisconsin.

Overall, the new edition represents the second year IFLR has ranked top financial and corporate law firms and lawyers on a state-by-state basis.
