Husch Blackwell Recognized as a Top Place to Work for Women by the Women's Foundation of Greater St. Louis

Husch Blackwell is pleased to announce the Women's Foundation of Greater St. Louis' (WFSTL) has honored the firm as a top place to work for women in WFSTL's sixth-annual "Women in the Workplace: Employment Scorecard 2022."

This year, WFSTL recognized St. Louis-area employers that demonstrated excellence in four areas of workplace gender equity: leadership, compensation, flexible work policies, and recruitment and retention.

The Women in the Workplace Scorecard recognizes small, medium, and large companies in the St. Louis region that showed a strong commitment to women in the workplace through measurable outcomes, key policies, and best practices, including demonstrating results with women in a minimum of 25 percent of top leadership roles; a minimum of 25 percent of women in the top 10 percent of the most highly compensated employees; a starting wage higher than the Missouri minimum wage; and family-friendly flexible work policies and recruitment and retention programs targeted at advancing women.
