BTI Consulting Group Names Josef Glynias a BTI Client Service All-Star MVP

National law firm Husch Blackwell is pleased to announce that partner Josef Glynias has been named a 2023 BTI Client Service All-Star MVP.

Glynias is among 293 attorneys from 142 firms identified by corporate counsel as standing above all the others in delivering the absolute best in client service. He is one of only 83 attorneys to be named an MVP All-Star. BTI Consulting staff conducted more than 350 in-depth interviews with top legal decision-makers at large organizations worth more than \$700 million in revenue between January 2022 and March 2023 to arrive at the final list.

Based in St. Louis, Glynias concentrates much of his practice on navigating the ever-evolving aspects of employment law, focusing on areas like wage and hour collective/class actions governed by state and federal regulations. Glynias connects with clients, their businesses, and their employees so he can deliver tailored and continuous guidance that aligns with their specific needs and requirements.

Now in its 22nd year of publication, BTI Consulting notes that The BTI Client Service All-Stars list is the “gold standard used by corporate counsel and law firms alike to identify the attorneys delivering the absolute best levels of client service — better than all others.”
