OVERVIEW

Gabrielle represents clients of all sizes, from individuals to multinational corporations, in a variety of state and federal actions.

Working across industries, such as finance, insurance, and chemical and machine manufacturing, Gabrielle develops and executes effective strategies for all phases of dispute resolution, from discovery through appeal. With extensive research and briefing she has also developed a deep grasp of toxic tort, and regularly represents clients in asbestos litigation. Other matters Gabrielle handles include:

- Product liability
- Personal injury
- Insurance coverage
- Breach of contract

Gabrielle enjoys working closely with clients to create the best solutions in tandem with their business needs, and values the innovative and cost-effective strategies she can offer clients as part of a large national legal team.
