### OVERVIEW

As an experienced litigator, Brandon helps businesses effectively identify and manage risks.

Brandon is skilled litigator who has successfully represented clients in complex litigation in state and federal courts all over the country. He has experience assisting companies with a broad range of matters, with an emphasis in product liability, toxic tort, and commercial litigation.

Brandon routinely works closely with in-house legal teams and business stakeholders to avoid litigation and manage pending litigation. Through these relationships, Brandon tailors strategies for each client to best protect its interests. Whether early resolution or trial, Brandon knows the importance of strategically and economically allocating resources. This approach helps businesses manage costs while reaching a desired outcome.

Brandon previously served five years in the U.S. Marine Corps as a linguist and led intelligence collection teams during deployments in Afghanistan.
