OVERVIEW

Working as a litigator, Ciara is a strong advocate for clients inside and outside of the courtroom.

Ciara knows that strong client defense is a continual and multi-faceted process. It involves a constant intersection of listening to each client's individual business goals, thorough research, great preparedness and deft strategy. She believes in using cost-effective technology, such as eDiscovery, to streamline legal work and keep clients working without interruption during litigation. Ciara serves large and small clients across industry sectors, providing due diligence and serving on the legal team that provides end-to-end litigation solutions including:

- Mediation
- Arbitration
- Pre- and post-judgment remedies
- Appellate work

Clients appreciate that she is able to customize innovative solutions to their local matters while being part of a large legal team with a national footprint, working with firm attorneys in specialty centers and jurisdictions across the country.
