OVERVIEW

Olivia coordinates intellectual property matters for legal teams in order to protect the innovations and ideas of clients.

Olivia works with the firm's Intellectual Property attorneys to assist clients on a wide range of strategic use and protection matters. Her contributions include running docket reports, reporting on trends, quality-control reviews and collaborating with outside agencies including the U.S. State Department for ordering and certifying deadline-sensitive documents. Most importantly, Olivia works with tested legal technologies that streamline client matters, moving them forward efficiently and cost-effectively, without sacrificing individualized solutions and strategy.

Clients and attorneys appreciate that Olivia is a team player who is organized, eager and curious. What she most respects about intellectual property legal work is the structure and stability of client innovations. Because clients plan ahead to succeed, she does, too.
