

PROFESSIONAL LIABILITY LITIGATION

Husch Blackwell helps professionals assess the risk they face in carrying out their responsibilities and develops procedures to reduce the exposure. When allegations of misconduct or negligence arise, our attorneys are dogged advocates for clients, especially when an investigation, arbitration, or trial ensues.

We represent corporations and individuals in industries such as accounting, banking and finance, insurance, and engineering. With deep experience in class actions, regulated professions, and risk management, our team efficiently handles claims of legal and accounting malpractice, director and officer (D&O) liability, errors and omissions (E&O) liability, and other professional liability matters.
